## Headteacher's Newsletter

Issue 4

### Welcome...

We are beginning to really feel the magic of Christmas as the Christmas concert week begins. We look forward to you seeing you! Concerts spaces are limited to ensure we adhere to fire safety regulations. I am delighted to inform you that our Governors appointed a new Chair of Governors (Adam Knight) and Vice Chair of Governors (Cllr Jane Granville) following Oliver Huntley and James Preece stepping down as CoG and VCoG. We cannot thank Mr. Huntley and Mr. Preece enough for their service to the school in these demanding positions and we are very pleased they have decided to stay on the Governing Body. We welcome also Kevin Richards and Colin Daghish, new Governors to the school, welcome to our team!

I'd like to update you about our Executive Headteacher Mrs. Nicola Williams. She has informed us that she will be sadly retiring at the end of this term. We will be organising a special event for Mrs. Williams, to thank her for her service to the school, community and Local Authority and of course will let you know the plans as they unfold, should you wish to be a part of them!

As this is my final newsletter for 2024, the staff, governors and I want to wish you a very Merry Christmas and hope the two-week break is filled with love and laughter. We will see you all on Tuesday 7.1.25.

*Nadolig Llawn a Blwyddyn Newydd Dda!*

### Nursery Provision survey...

Are you a parent/carer of pre-nursery aged children (0 to 2-years-old) or an expectant parent? Bridgend County Borough are reviewing their nursery provision across the borough as part of their Childcare Sufficiency Assessment (CSA). They are keen to hear about your current and future childcare provision needs. Scan to comment.

### Safety...

Are you worried about someone you care about walking home alone? Strut Safe is a nationwide phone line which is run by volunteers to someone feel safe on their way home. For more information, visit <https://strutsafe.org/>

Class 9 Maple... 92%

If your child is ill, please inform the school office by 9:30am. You can leave a message if the line is busy. It is important for us to know why your child is absent as our Education Welfare Officer (EWO) checks our registers regularly. Any child that has been unaccounted for 5 days will result in Laurie Baldwin, our Education Welfare Officer calling to carry out a welfare check.

**If a child misses school, they are missing out on vital learning.**

**Ar Trac is able to provide one-to-one specialised support work to children and young people between the ages of 5-16 who have experienced or witnessed domestic abuse and, who are exhibiting difficulties with their families and peer relationships.**

Using the Outcome Star, the support worker will work collaboratively with the children and young people in order to shape and manage how their support will look. The child's/young persons voice is key in this type of support, and we encourage them to use it in order to facilitate the individual support they need to build resilience.

The Star is an outcomes tool that enables us to measure and summarise changes made by a range of children and young people with different needs. It is also a keywork and coaching tool that helps children and young people make changes by providing them with a clear picture of their journey, enabling them to take manageable steps and plotting their progress along the way. The Outcome Star is a child centred tool used to aid our successful one-to-one support, that allows the young people to have complete control of their support which allows them to gain self-efficacy, confidence and self-esteem.

We use creative methods to engage young people in their support work. This support work is child led. Sessions last between 45-60 minutes. Sessions are carried out in a safe environment (school, office). Support usually lasts anything between 10-14 weeks depending on the individual needs of the child (but can last longer in some instances) Support work will be carried out by the same support worker. The child or young person is able to participate in group work after their support has ended if they want to or feel that they need more confidence or support in other areas.
